

Sixteenth Annual Butch Friedrichs Memorial Golf Tournament and Celebration

Saturday, April 20, 2024

Dear Friends and Family,

In honor of my brother's memory, my immediate family started an annual golf tournament and celebration over 16 years ago. Butch was born March 8, 1972 and was diagnosed with cystic fibrosis ("CF"). He battled the disease his whole life but never let CF control his life. In his life he touched many lives and is a personal inspiration to me every day. Butch's memory lives on through our event and his foundation. We are excited that this year marks the 16th year of the tournament and hope you will join us in celebrating Butch's life and raising money for children and families battling CF.

The purpose of the Butch Friedrichs Foundation, established in 2011, is to provide assistance to children, young adults, and their families living with CF through various ways, including providing age-appropriate gifts to CF patients in the hospital. Since 2011, we've been helping families with financial assistance through gift cards and provided tangible gifts to the children. We believe the assistance and gifts have encouraged the families and will help them continue the fight against CF.

All proceeds from the tournament and silent auction go to the Butch Friedrichs Foundation. The Foundation is a 501(c)(3) tax exempt, non-profit organization. I hope all of you can make it and I look forward to seeing you. Please visit our website at www.butchfriedrichsfoundation.org for more information about our foundation and cystic fibrosis.

Sincerely,
Matt Friedrichs, President
